DONATIONS

Thank you for reaching out to us in your efforts to launch a fundraiser, charitable event or cause. We are proud to support our community, and have a vested interest in making Berks a better place.

Before completing the Request Form, please be aware of the following criteria:

1. We do not make cash donations. Items we CAN donate are products, services, time, and short-term memberships.
2. We do not donate to government programs.
3. Our first priorities are non-profit organizations and school programs.
4. Our donated services and memberships may come with some restrictive conditions.

Please understand that it is not always possible for us to donate to each request, although we would like to. If we cannot support your request at the current time, please feel free to contact us again in a few weeks or months.
