Thanksgiving (8-12noon)

Christmas Eve (8-12noon)

Christmas Day *closed*

Colonial Fitness/Berks Lanes **Children's Activity Center (CAC)** is a supervised play room, NOT a day care. Parents/Guardians are not to leave the Berks Lanes/Colonial Fitness premises for any reason while their child is in our care. Our **CAC** staff is an experienced group of care providers offering a variety of activities to entertain your child while you workout or go bowling.

Only children of patrons of **Colonial Fitness and Berks Lanes** are permitted in the center. For your protection and that of your child, all parents/guardians are required to sign their child in and out with each visit and pay the amount due. Unless previous arrangements have been made, children will NOT be released to anyone other than the person who signed them in.

All items (diaper bags, bottles, cups etc) brought into the center should be labeled with the child's name. CAC is not responsible for items that become lost or broken.

A Snack is provided once during each shift. If a snack is sent in by parents, it will be given to the child during group snack time. Staff will not spoon feed infants or toddlers.

Rates: Effective June 1, 2011 \$2.00 per child

In an attempt to ensure the best possible experience at each and every visit, please adhere to these guidelines:

- **Time Limit: 2 Hours maximum** Bowling patrons may drop off their child 15 minutes before bowling start time and pick up immediately at conclusion of league bowling. Please be mindful to not exceed this limit.

- **Age:** Newborn to 12 years of age.

- **Infants/Diaper Changing:**

Diapers will be changed upon request of the parent. Otherwise, you will be called to change your child.

- **Sick Children:**

Ill children are not accepted into the center. This includes runny noses, coughs, fever or flu symptoms.

There are NO exceptions to this policy. Colonial Fitness will do its best to provide a sick-free environment and we ask your full cooperation. If your child has allergy complications, we request doctor documentation.

Children's Activity Center staff cannot administer medications.

- **Discipline/Behavior:**

Although rare, if a child is unable to follow the CAC rules, parents will be paged and asked to remove the child from the room. Habitual misbehavior will result in the child being denied Children's Activity Center privileges.

CAC reserves the right to refuse a child's admittance for the safety, security, and enjoyment of all the children in our care. CAC staff is responsible for maintaining an environment beneficial to their well being. Aggressive or abusive behavior by any child will be addressed by the staff and parent will be notified.

CAC staff asks that parents encourage their children to help pick up their toys. Doing this helps us keep the room hazardous free and teaches children responsibility skills.

***Berks Lanes Parents:** a camera is being used for a remote viewing monitor in the bowling center to allow parents who are in the bowling center to observe their children. There is one monitor located at the bowling counter.
